## Dedication

In June, 1964, after thirty-five years in education, Mr. Harold C. Schweisburger, the Bath-Richfield Superintendant, retired. For these thirty-five years of dedicated service, all of them in the Bath-Richfield system, the REVERE REVIEW is dedicating this book.

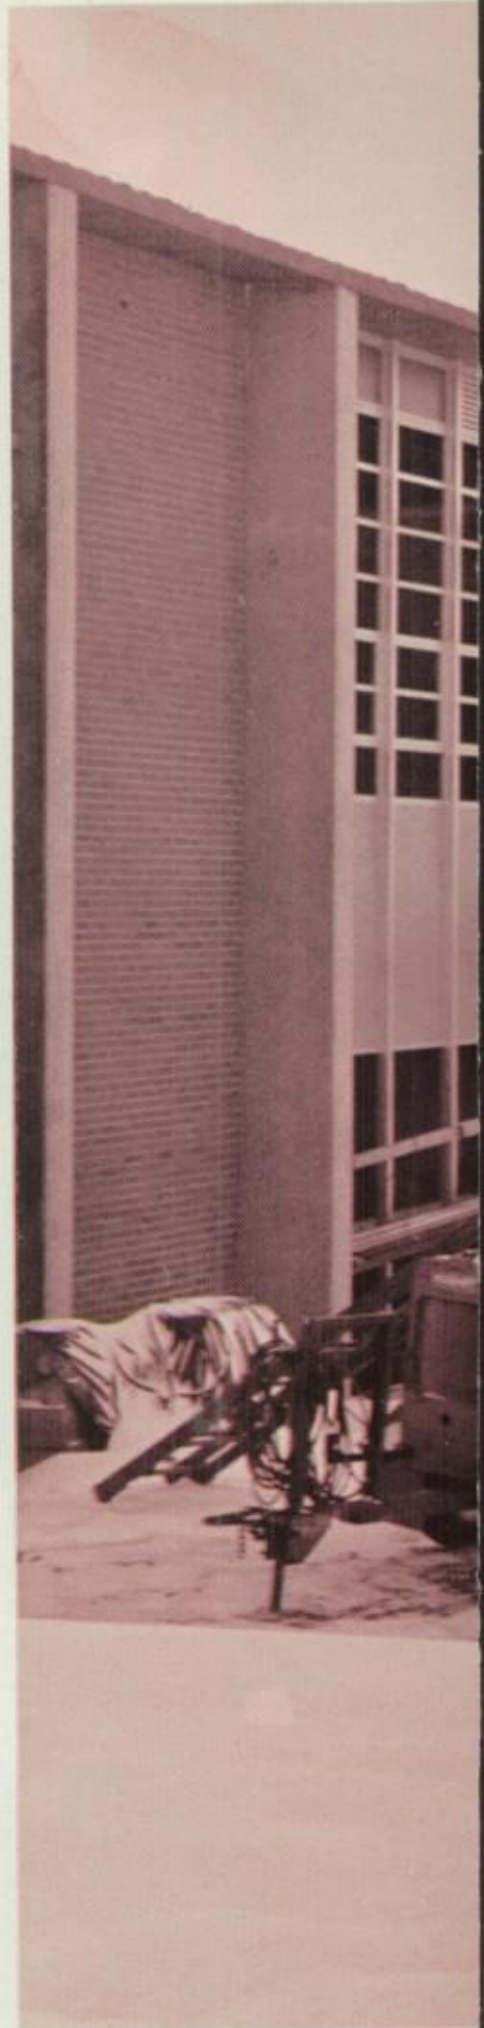

Mr. Schweisburger began teaching at Richfield in 1928 after graduating from the College of Wooster. He taught mathematics and history for two years before becoming principal of Richfield. In 1948, he took a year's leave of absence to get his Master's degree at Columbia Teachers' College after which he resumed his position at Richfield. In the fall of 1953, he became Superintendant of the system.

We Build On . . .

## Leadership . . .

Here, we are led by our teachers and we learn to lead ourselves and our friends. We learn to shoulder responsibility and meet the challenge of living in this world. The student council gives us a chance for self-government. We learn some of the wisdom we need to live in this world and accept the challenge of leadership.

## Service . . . .

Now, we are learning the meaning of serving those about us. The Booster Club raises money for the school. A teacher helps a student after school. The "pep band" plays at games. The Y-Teens help the needy. All these and many more give each of us a chance to serve, a chance to learn the rewards of serving.

## Beauty . . .

We have beauty all about us, in our school and in our community. Through art, music, and English classes, we can learn to create beauty, beauty to enrich our lives and those of the people around us.

## Character . . .

This year, we learned from two the meaning of character. Joan Kiehl has returned from seven months in New Zealand and has much to say about this little-known country. Gaby Sonderrmann, besides brightening school life with her gaiety, also has much to tell about differences between her country, Germany, and ours and between the peoples of these nations. Both girls are trying to educate us, through conversations with friends as well as through speeches throughout the community.

## Sportsmanship . . .

A handshake and a pat on the back for an opponent: this is a symbol of sportsmanship. But it doesn't stop at the edge of the playing field, it extends through the crowd to all edges of our lives. When a friend gets a higher grade, when a role in the class play is lost, when a low rating is received in Forensics, there is always a chance for a handshake, a pat on the back, and a nexttime.

## Scholarship . . .

Scholarship: the reason we are here. We are here to learn the facts that will enable us to find good positions in life.

## Fast And Efficient

The Secretaries of Revere High School are an integral part of each school day. Keeping records, paying bills, typing reports, and taking care of students in the sickroom. Mrs. Steffan and Mrs. Davidson, along with Mrs. Pandy and Mrs. Swartz, deserve the great credit due them.

## Culinarians & Sentries

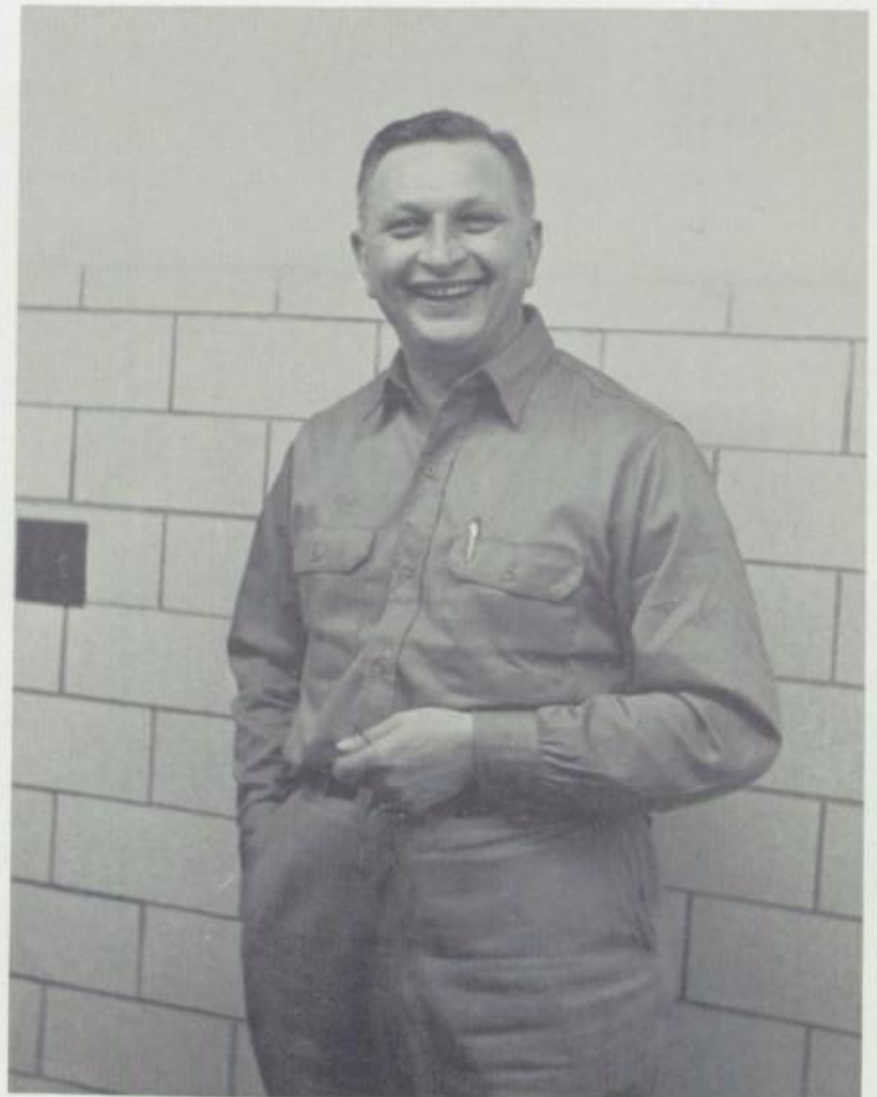

Our favorites—Mrs. Mildred King, Mrs. Katherine Shumacher, and Mrs. Virginia Kelly—work as the chief cooks and bottle washers at Revere.

Mr. "Buzzy" Davis

What's the matter Buzzy? Did that old moldy lunch scare you when it fell out of the locker?

## Reverites Speak Through Student Council

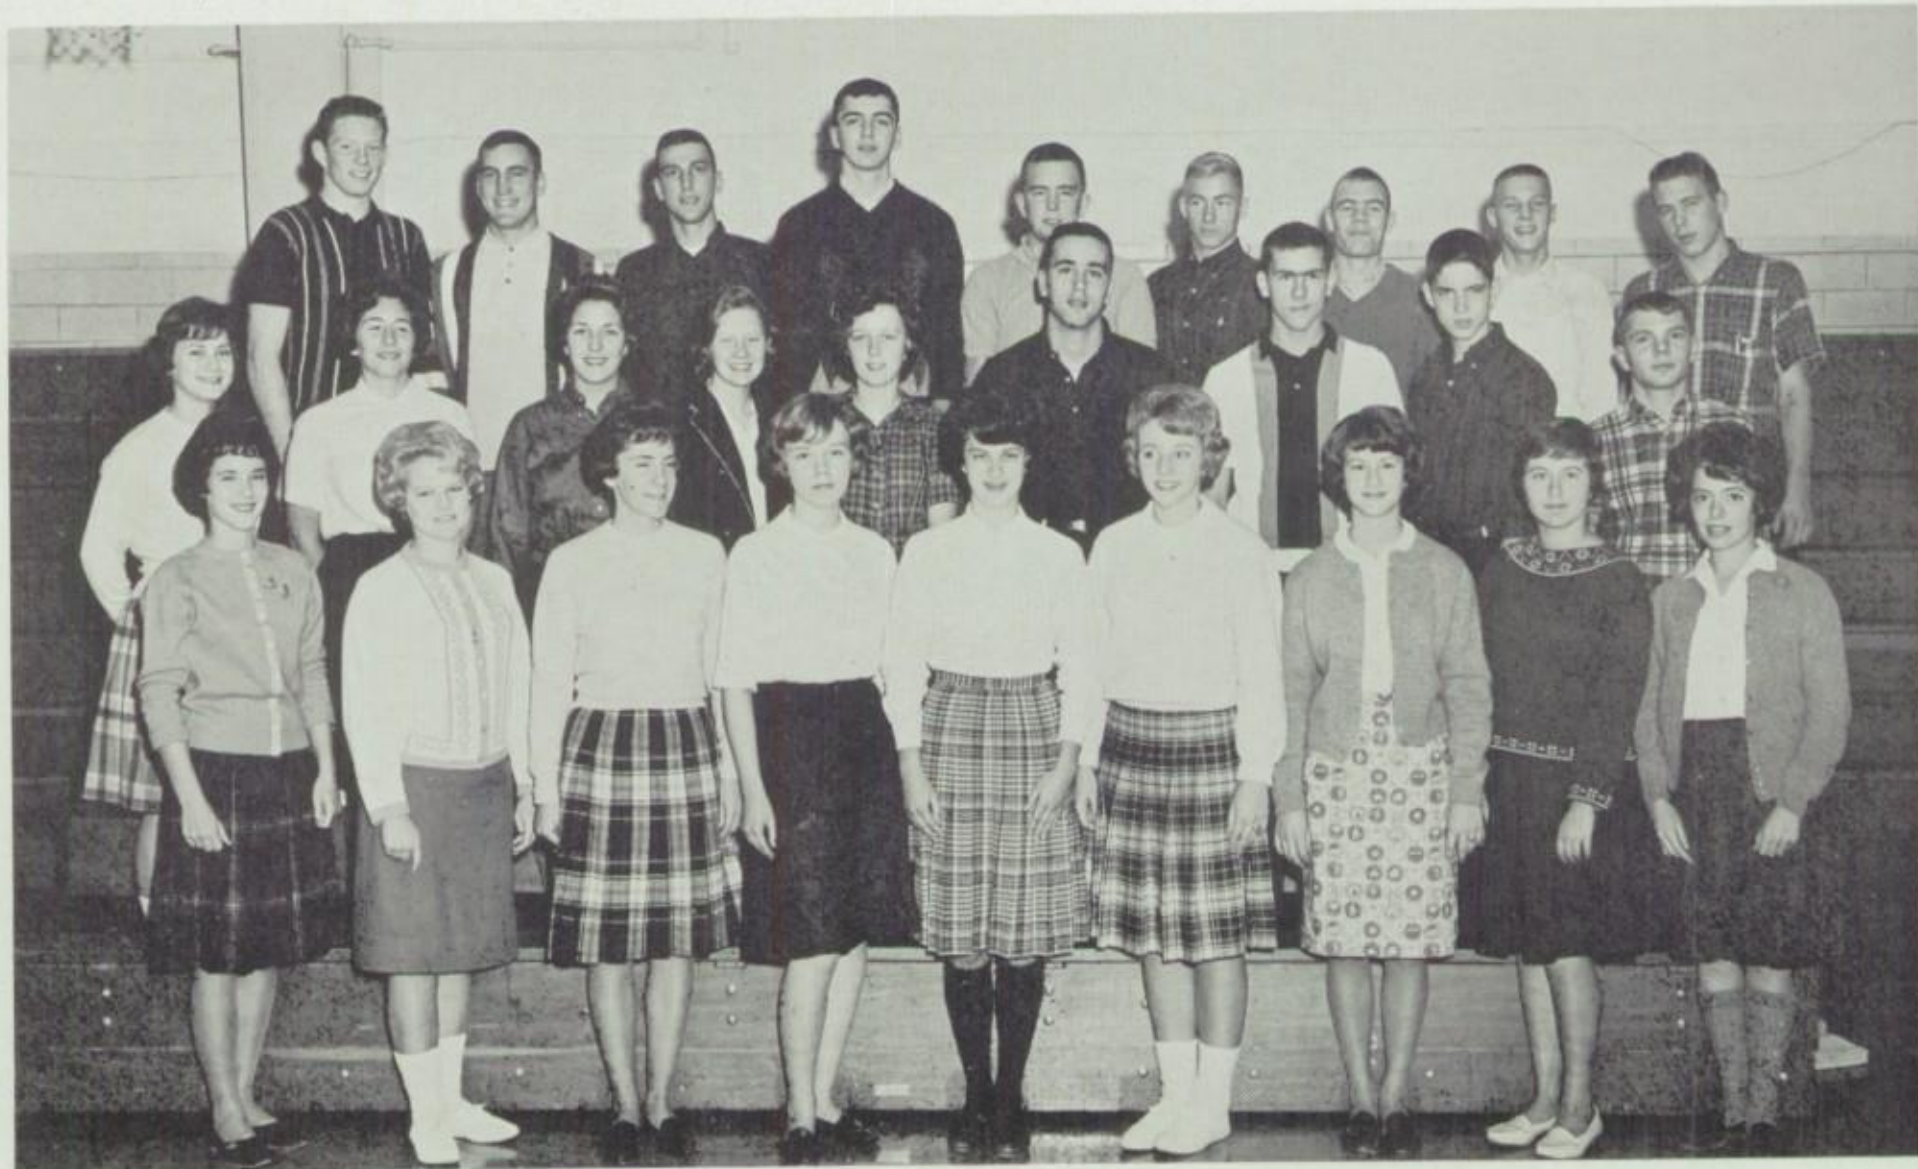

Student Council Officers: Mr. Knapp, Kathy Fogarty, Secretary; John Bergvall, Vice President; Dan McDonald, Treasurer; Jeff Springer, President.

Through Student Council, each student at Revere had the opportunity to criticize and comment on any part of school life to his Student Council representative, who in turn presented these suggestions to Council. Representatives were elected from each class and from the school at-large. The most active student organization at Revere, Council sponsored such activities as

the Homecoming festivities and the Summit County Cheerleading Contest in March. During the school year Student Council sold candy at noon, helped to choose reserve and varsity cheerleaders, posted weekly events on the bulletin board, chose student announcers, and performed various other service projects. The advisor was Mr. Gordon Knapp.

## Study And Effort Gains Honors

Members of National Honor Society were juniors and seniors chosen by the faculty on the basis of scholarship, leadership, character, and service. To be eligible for membership, a student had to have an accumulative average of 88% or higher, which must be maintained. This year new members were initiated on November 4. Led by Mr. Bayliss and Mrs. Beatrice Cote, advisors, N.H.S. served the school by averaging six weeks grades for each home room, revising the Revere Student Handbook, and promoting other projects beneficial to the students of Revere.

## Hi-Y Strives For Clean Living.

A paragraph expressing why he wanted to become a Hi-Y member was the first step to be taken by each prospective candidate. As a member, he expressed his desires through Christianity and clean living.

The club continued with the support of a

Japanese foster child. They supervised the showing of noon movies, parked cars at football games, and sponsored Becky Crile as a candidate to the Summit County Hi-Y Formal. Paul Hershey and Gary Major traveled to Columbus for active participation in "Youth in Government" in April.

## Y-Teens Donate Service With Cheerfulness

Under the guidance of advisor Mrs. Mildred Hess, the Y-Teen Club participated in activities which upheld the Y-Teen goals of: growing as a person, growing in friendships, and growing in knowledge and love of God.

A movie on prejudice, a talk at Thanksgiving by Rev. Stewart of the Bath Church and a Christmas service project were some applications of this

knowledge.

We again supported our Korean foster child, Ho Sui. The sale of school supplies is a major source of our income. We also continued our interest in sports through participation in the volleyball and basketball tournaments at the Y.W.C.A. In a social vein, we sponsored a candidate for king at the All-County Y-Teen Formal.

Juniors in Y-Teens were: Row 1: M. Pim, M. Sheldon, M. Adams, N. Welton, J. Lasser, B. Falk, Treasurer; M. Monagen, D. Feiber, Chaplain; A. Fairweather, M. Linder, S. Wilson, L. Jennings, Row 2: J. Mostoller, G. Floyd, D. Adkins, V. SirLouis, T. Hosterman,, D. Adkins, G. Lindus, L. Wen-

Under the sponsorship of Mr. Jimmie Petrick, the Ski Club enjoyed its first year at Revere. Officers were (l. to r.) Linda McClure, treasurer; Drew Smith, president; and Karen Barr, secretary. The club went skiing every week at Boston Mills.

A large red or white "R", usually displayed on a white sweater, is an indication that its owner belongs to Revere's Lettermen Club. The members receive their letters for active participation in varsity sports, managing or cheerleading. The clubs pur-

pose is to develop sportsmanship and citizenship and to promote athletics at Revere. Canteens sponsored by the cheerleaders, are held after home games so buses can be chartered for away games.

This year's lettermen were: Row 1: B. Stalnaker, J. Parker, B. Kelley, D. McDonald, J. Gentner, B. Osborne, P. Bending, D. Anderson, D. Ruch, M. Linder. Row 2: P. Meyer, B. Storrs, B. Koudelka, C. Saalfeld, D. Holtzapple, H. Pohlmeyer, Ron Noland, J. Krejci, S. Wilson. Row 3: J. Nelson,

# Boom At Revere

Horsebackriding, roller skating, and bowling are only a few of the activities attempted by the members of the Girls Athletic Association. Each girl's goal is to acquire a total of 250 points during her membership. This entitles her to an award at the end of the year. Revere sweatshirts were sold by the club to raise money for activities.

## The Trail To Broadway Begins Here

"When in doubt, act it out" might be considered the key to the Thespian and Dramatic Club.

The Dramatic Club gives every member of the student body a chance to earn ten Thespian points and become a member of Thespians.

These aspiring young actors earn

these points on stage and backstage in activities such as painting scenery, sewing costumes, working on make-up and publicity.

The goal of the Thespians is to further the dramatic art and in order to do this, they presented the fall play "Rhinoceros."

Dramatic Club: Row 1: G. Lindus, L. Wentink, S. Pelz, B. Lenox, P. McNair, M. Pim, J. Plazak, M. Monagan, M. Schaadt, K. Rivers, A. Runninger, D. Clay, N. Rumbaugh, T. Fulton, P. Bending. Row 2: P. ## Speech, Speech, Speech

As the Irish might say: "They have the gift of gab," but Revere's members of the National Forensic League put it to a good purpose. They compete in debate and individual events to earn twenty-five points for membership and higher degrees.

Individual events are divided into four sub-divisions: oratorical, humorous, and dramatic declamations and extemporaneous speeches. The many Saturdays started at early hours, which members gave to these activities, gave them a chance to show their oratorical ability.

N.F.L. Officers: Tom Turk, President; Melissa Sheldon, Treasurer, Mr. George Kungle, advisor; Charlene Scuba, Secretary; Christy Wohler, Vice-president.

Competing in individual events were Row 1: M. Sheldon, K. Gowin, D. Cooper, S. Wagner, S. Bolinger, C. Laughlin, L. Pedigo, M. LaFatch. Row 2: V. Winemil-

Yes it does seem as if the office workers and teacher's assistants are always running someplace. These girls make life much easier for the office secretaries and the teachers.

"Now has everybody signed the list from the study hall? There are ten names here and I count thirteen kids!"

This is a typical cry from Mrs. Hess's li-

brary assistants. The girls spend one study hall a day filing cards, checking books in and out, and trying to keep the students quiet.

Donald, Mrs. M. A. Gallagher, and Mrs. Schlueter planned field trips for the girls every other month—the first was to Summit County Receiving Hospital. Two car washes, one in the fall and one in the spring were held by the staff in order to raise money for operating expenses.

Under the guidance of Mrs. Virginia Ocsek, THE LANTERN participates in activities of the Columbia Scholastic Press Association and Quill and Scroll.

As a result of these projects, the editors have been able to use more pictures and cuts to create more reader appeal.

# Revere Gridders

At the beginning of the season Coach Ost had high hopes for the 1963 Revere football team, but even before official play started a series of various illnesses and injuries prevented us from having a successful season. With four regulars out most of the time and several others missing one or two games, Revere was not able to do as well as expected. The team did receive some deserved praise, however, with John Bergvall making the All-Suburban Team and Terry McCollum and Herb Pohlmeier receiving honorable mentions. With good luck we are sure to have a better season next year.

Revere's cheerleaders led the movement for more school spirit. The football cheerleaders, chosen at a May assembly before the entire student body, boosted the morale of the team. The

basketball cheerleaders chosen in November, cheered the team to the Surburban League Championship.

As a result of the team's exceptional determination, skill, and pep, the Revere High Minutemen earned the Suburban League Trophy for the second consecutive season. Even with the usually challenging competition, the Minutemen managed a striking record of 18 wins and only 3 losses. These three losses totaled a mere four points. Although Revere was top seeded in our section, the team missed a seat in the District Tournament at Kent by losing to Central 57-56.

Jeff Springer, the outstanding Minuteman, set a new school record by scoring 54 points when Revere downed Highland 109-34. Jeff was chosen to be on the first team of the All-Suburban League and also the first team of the All-District League. Gary Major, junior also was selected for the first team of the All-Suburban League and he received an honorable mention for the All-District League. Bob Kelley senior was on the second team of the All-Suburban League and third team of the All-District League. Coach Greynolds, as a result of his dedicated and successful efforts, was elected to second place for the Akron area Coach - of - the - Year.

Losing only two of the starting five, next year could be an equally successful season with the continued improvement of the upcoming team.

The 1964 Revere Golf Team had its most successful season in Revere's history. In regular season play, the Minutemen were undefeated, winning 18 straight. Two of these wins were against Norton and Firestone who qualified for the State Tournament. In the District Tournament at Barberton Brookside, Revere placed sixth. All of the home matches were played at Bath Golf Course. Three of the first team will graduate this year but Mr. Klomp feels confident about next years team.

## '64 Track Team Has Successful Season

As Coach Ost said "Next year is our year." Although the track season was not real successful as far as their overall record was concerned, the members showed a great deal of potential for next year's season. Also, three school records were broken, and one was tied. Jeff Springer, senior, broke the discus record by throwing it 133'7". The high jump record was broken by junior Ken Stewart; he jumped 5'10". Ernest Ertel, Craig Harper, John Paulett, juniors, and Jack Nel-

son, senior, broke the 880 yard relay being clocked at 1:36:2. The broad jump was tied by Herb Pohlmeier when he jumped 19'9".

The first annual Decathlon, an adaptation of the Olympic games, was held at Revere in 1964. It consists of 10 track events in which the participants accumulate points. Herb Pohlmeier, junior, took first place; Ernest Ertel, junior, took second place; and Rick Steiner, sophomore, took third place.

Bob Hepler, Ernest Ertel, and Dave Hotzapple, juniors, show determination to win.

## Baseball Team Narrowly Misses Trophy

For the first time since 1954 Revere's baseball team had a chance to be either Suburban League Champs or to be tied for second place. However, fate stepped in, and the 1964 baseball team ended up in third place with a record of 14 wins and 4 losses. Three senior members, George Poloski, Rick Meiser, and Bob Kelly, will not be seen next year; but Mr. Greynolds has hopes for a fine season again next year.

Neither rain  
Nor mud  
Nor a snowy night  
Could keep the Marching Minutemen  
out of sight!

Or something like that. Under the direction of Mr. Robert Lutz and Mr. Bryson Fillmore, the Marching Band—87 strong—participated in the Coventry Band Show and all the football games.

"Well of all things! Well of all things. A Rhineoceros running full tilt on the opposite pavement."

The ultimate consequences of conformity in the modern world provide the framework around which Ionesco builds a provocative comedy with tragic undercurrents. That was the theme for the fall Thespian Play, of Troop 932, Rhineoceros.

Directed by Mr. David Dickson and assistant Diane Cooper the cast was Lou Freidl with the lead role; Jo Ann Loulan, heroine; Rex Rhinesmith; Dave Weber; Mark Gross; Gale Baumgardner; Rich Meiser; Janie Turzillo; Christy Wohler; Al Sabaka; Cliff Brock; David James; Diane Cooper; Patti McNair; Sue Bolinger.

The play, which featured none other than our own Bob Kelly and Susie Vance, plus Mark Gross, Dave Weber, Camilla Laughlin, Diane Cooper, Sue Wargo, and David James, was the story of a timeless being from another dimension. Kreton, who comes to earth hoping to have arrived at the time of the Civil War, but finding the date to be 1964, unsuccessfully attempts to start a Third World War. Directed by Mr. David Dickson, the play was a great success.

## RELIABLE WORKMANSHIP

It's the many "Extras" that set Clark-Brown platforms apart. Premium Quality Steels are used throughout. Main beams are machine-welded to eliminate weak spots and distribute load stresses along the entire length of the beams. This Adds up to Longer Service Life, Lower Maintenance, more Profits for You.

We would sincerely like to thank our adviser, Mr. Sheldon Daniel; Mr. Donald Leahy of the Artmaster Yearbook, Inc.; Mr. Vincent Crawford and Mr. Bob Weins of Carpenter's Studio; Ken Henderson, our student photographer; Don Shook, our business manager; our staff; and all those who bought annuals or ads.
